Summer of Sisterhood
Fact Sheet

Sisterhood is an after-school and summer program that prepares girls ages 10 – 18 for womanhood and their life beyond. Begun in the fall of 2008 with a seed grant from United Methodist Women National, *Sisterhood* has grown from serving 30 girls per year to serving over 750 in 2015-2016. *Summer of Sisterhood*, begun in 2010, is extremely popular and has over 100 applicants each year, but there is space for only 40 girls.

Sisterhood fosters a belief in girls’ self-worth based on their skills, unique talents, and spirituality rather than on appearance, popularity, sexuality or negative gender and racial stereotypes. *Sisterhood* encourages and challenges young women to be strong and independent and to exercise self-discipline. *Sisterhood* uses the arts as a way to attract and retain the interest of girls and to teach them the power of creative expression as a way to positively transform themselves and their community.

Summer of Sisterhood works may be viewed and heard on You Tube. Please visit our website at www.WSCHouse.org and click on the Youth/Summer of Sisterhood tabs to learn more.
