

West Side Community House

Annual Report

2014

Everyone has a story to tell. Just ask us...

Introduction

As a part of West Side Community House's (WSCH) efforts to be green, we have invested considerable time and energy in developing our website to electronically showcase our programs and services as well as to offer an opportunity to download information. This bare bones annual report is our effort to reduce paper waste and focus our resources where there will be the greatest return on investment. We hope that you will visit our website at www.WSCHouse.org to learn more about our programs and the people we serve.

History and Background

West Side Community House (WSCH) was founded in 1890 as the Methodist Deaconess Home of Cleveland. WSCH has operated as a private, nonsectarian nonprofit 501(c)3 social service agency since 1964, owned and operated by a board of managers. We maintain a covenant relationship with United Methodist Women. We work to meet the needs of the community residents by providing an array of model programs and services for children, families and older adults. Services are open to all social, racial, ethnic and income groups but are targeted to those who are most vulnerable and at-risk. Our programs strengthen the family, provide opportunities to learn and grow, support independent living, encourage economic self-sufficiency, and renew the life spirit.

Our Mission

Transforming lives in the community.

West Side Community House 2014 Statistics and Demographics

All services provided at West Side Community House are free to individuals who meet specific program and service requirements. More information is available at www.WSCHouse.org.

Family-to-Family – provides supportive services to foster and adoptive families, identifies families in crisis through community referrals and self identification and provides wraparound services to prevent the need for County involvement. Families are linked by professional social work staff to hundreds of services in the community. Family team meetings and foster/adoptive parent support groups are key elements of the success of this program.

In 2014 staff members held 10 collaborative meetings attended by 250 direct services staff members from community service providers and made 9,824 referrals for 1,228 families linking them with services in the community to help stabilize and connect them with the supports they need to become strong.

(In 2014 we served 1,228 families with 3,684 children under the age of 18. A majority of these families (82%) live below 200% of the Federal poverty level.)

Tapestry System of Care - serves system involved youth with mental health conditions and their families. Parent Advocates and Youth Advocates work intensively over a long period of time to help families reach their goals. They link them to resources within the community. Monthly support groups are held at the center. Informative speakers, childcare and a youth group are offered as well as dinner during the meetings. We held 19 parent support groups and 22 youth group meetings in 2014 attended by 130 people.

(In 2014 we served 236 families, with 708 children under the age of 18, and made 472 referrals to community service providers. A majority of these families also live below 200% of the Federal poverty level.)

Community Wrap Around School – West Side Community House is the lead agency for the United Way Wraparound School Project at H. Barbara Booker School. During 2013-2014, we brought the following programs into the school: Girl Scouts, Boy Scouts, Success Mentorship Program, Engineering with the Great Lakes Science Center, Girls Go and Boys Go Science Program, Science Academy, and Cleveland Metroparks Zoo inquiry based science programming. In addition we made the following possible: behind the scenes zoo experience, an overnight Girls Scouts zoo experience, Cleveland Museum Art (CMA) visits and CMA art/literacy based programming 4 times a year on site. We coordinated the following group events: Sherwin Williams (Secret Santa Event), Detroit Shoreway Community Development Office (Community Christmas Event, Block Clubs), Stockyard Community Development Office (Bike-A-Thon Event), Michael J. Zone (Afterschool Programming Space for Girl Scouts and Boy Scouts, Holiday Gift Giveaway Event, Halloween Event, After School Meal Program, Report Card Incentives Program), St. Colman's Church (School Supply Giveaway, Uniform Assistance). We have strengthened parent involvement through door-to-door outreach

to 500 homes. We coordinated big events such as: Summer Ice cream social (100 families attended), Open House (with 15 partners, 200 parents attended), Zoo at the school event (275 people attended), Family Fun Night (30 families attended). We created a Parent Advisory Council (PAC) that meets monthly, FAST (Families and Schools Together) Program, a PAC Parents Group for Spanish Speaking Parents, and an Attendance-based Mediation Program to help our families see the importance of regular school attendance. We created a free snack program in partnership with other Girl Scouts troops that raise funds for our students to have free healthy snacks during the day and after school. We have provided free tutoring to 50 of our students that have low to low-average reading scores in grades 1-3 through Experience Corps and FEB Tutoring Programs.

Children Exposed to Violence Initiative/Defending Childhood – an effort to address the effects of violence on the families and youth in the Cudell/West Boulevard neighborhoods. Held four eight-week ACT (Adults and Children Together) parenting classes. ACT is an evidence-based program that makes parents aware of the affects of violence on their children and teaches non-violent disciplinary alternatives. Two eight-week FAST (Families and Schools Together) sessions were held with Almira School parents and students. FAST is an internationally acclaimed parent engagement program that helps children thrive by building stronger relationships at home. (In 2014 we served 60 adults in ACT and 11 families in FAST.)

We started Boys Council in partnership with Cleveland Christian Home in June of 2014. These weekly support sessions help to empower boys ages 13-18 to maintain positive attitudes, make good decisions, and to be resilient after setbacks. (In 2014 we served 14 system-involved boys).

Wrap for Success (W4S) - empowers parents through the successful completion and comprehension of the ACT Course including W4S Warm Up and Graduation sessions, and attendance at monthly W4S Reunion Group meetings where they participate in interactive workshops with other community parents that are responsive to the challenges and needs that they identify. Also, as appropriate, we make referrals both internally to our family and youth programs, and externally to community partners. (In 2014, 42 parents participated in 11 wrap sessions and 90 parents and children attended ten Reunion Groups. Over 90% of participating parents are currently or were previously system involved.)

Youth Services - Sisterhood, for girls ages 10 - 18, prepares girls for womanhood and their life beyond. Five Learning Cycles conducted during the school year cover Self-Identity, Service Learning, Arts and Technology, Economic Literacy, and Health and Wellness with interactive workshops, field trips and presentations that stimulate and challenge young minds while they engage and retain their interest. In addition, there are opportunities for mentoring, tutoring, homework assistance and academic test preparation provided by college student tutors. Sisterhood meets after-school with several weekend events and trips. One day per week, a Sisterhood session is held at McKinley School during study hall/lunch period. Attendance at these sessions has increased as girls gather to discuss challenges and issues they face and gain strength as they learn about their shared experiences as young women and ways to cope.

Summer of Sisterhood is an intensive summer arts camp for 8 weeks that culminates in a live performance and CD and/or DVD. Girls ages 10 – 18 work with professional artists to write their own original work. In 2014 Summer of Sisterhood performed before an audience of 7,000 women from around the world at the Louisville International Convention Center for the United Methodist Women's National Assembly. They were personally greeted by keynote speaker, and former US Secretary of State, Hillary Rodham Clinton, before she addressed the assembly. Summer of Sisterhood also opened for Biz Markie at Cleveland's Rock and Roll Hall of Fame and Museum.

We conducted outreach sessions at ten area schools and a session at CSU's Girls Health Summit attended by over 300 young women.

(In 2014, we served 1,572 girls through our programs, services and telephone information and referral. Of these girls, 96% live at or below 150% of the Federal poverty level with the remaining 4% at just above 200%.)

Senior Services – a full array of services and programs designed to help seniors remain living independently in the community. In 2014 we prepared and delivered 34,700 meals to homebound seniors in our heated catering truck and prepared and served 22,870 congregate meals in our senior center. We provided nutrition education to 475 seniors during 2014 through presentations and informational materials.

Over 19 different physical exercise activities were provided on site each week and 12 cognitive activities as part of our Healthy Bodies-Healthy Minds program which provides rewards and incentives to seniors for their participation. Classes included: A Matter of Balance, Art Expressions, Chair Volleyball, Dance Fitness, Line Dancing, Pool, Pump it Up, Song Slings, Tai Chi, Timeslips, Yoga, and Wii Bowling.

In addition, we helped seniors to maintain good health by providing opportunities for free health screens. We held onsite, an average of seven health screenings each month which included blood pressure check, cholesterol, and blood sugar and a monthly visit by a podiatrist. Monthly visits by a mobile pharmacy, bookmobile and post office help seniors easily take care of their needs all on site.

Staff provided 400 hours of supportive services meeting with seniors individually to link them with needed benefits and services in the community, assist with billing issues, schedule medical appointments, secure a valid photo ID, and other services as needed. In addition, our staff took nearly 900 phone calls and provided information and referral assistance.

We provided 17,040 one-way trips on accessible vans to and from the center, to grocery, discount and pharmacy stores and to recreational activities.

(In 2014 we served 1,570 seniors through on-site, homebound, and telephone information and referral services. Over half of the seniors live at or below the poverty level with an additional 36% at or below 200% of poverty. Of the remaining 10%, most live just above the 200% level.) More information is available at www.WSCHouse.org.

Overall Agency Statistics

In 2014, West Side Community House served a total of 8,598 children, families and seniors through programs and services provided through three core service areas: Families, Seniors and Youth.

Of all the people served, 7,234, or 85% live at low-income to below the Federal poverty level. The vast majority of the remainder live at levels just above low-income.

Our 2014 client demographics were:

African-American	Asian	Caucasian	Hispanic/Latino	Mixed	Native American	Female	Male
47%	.2%	19%	31%	2.7%	.1%	66%	34%

Program participants came from the western half of Cuyahoga County with the majority of people coming from the following Cleveland Statistical Planning Areas (SPAs): Brooklyn-Centre, Clark-Fulton, Cudell, Detroit-Shoreway, Edgewater, Jefferson, Ohio City, Puritas-Longmead, Stockyards, Tremont, and West Boulevard.

West Side Community House Management Team

Executive Director, Dawn Kolograf, has been director since 1991. Dawn holds a BSW from Kent State University and an MEd from Cleveland State University. Under Dawn's leadership the agency doubled in size with the inclusion of family service programs. In 2006, after conducting a \$2.3 million capital campaign, Dawn successfully saw WSCH relocated to a new, fully-accessible building in the heart of the agency's core service area.

Family Services Director, Rachelle Milner, holds a BSW from Clark University and an MSSA degree from Case Western Reserve University. Rachelle manages both the Family-to-Family and Tapestry Systems of Care programs at West Side Community House which have grown to serve over 1,000 families in crisis each year. She joined the WSCH management team in 2003.

Senior Services Director, Yvette Medina, created a bi-lingual, Spanish component in the program. She began as a teen intern at WSCH in 1984 and has been a member of the senior staff since 1988. She worked her way up to become director in 2006. Under her leadership two senior sites were successfully merged into one and the *Community Aging Initiative* and *Healthy Bodies-Healthy Minds* program were developed.

Youth Services Director, Allison McClain, has a BA and MA in English from University of Toledo. Allison manages the *Sisterhood* and *Summer of Sisterhood* programs. She moonlights as an English professor at Chancellor University and also is a professional poet and musician. Under her leadership, the *Summer of Sisterhood* summer arts camp was developed resulting in two CDs and a DVD. Allison joined WSCH in 2010

Administrative Assistant, Gloria Perez, joined WSCH in 1998 after working with the Cleveland Community Building Initiative. Formerly an administrative specialist in the Army National Guard, she's the agency's go-to person and is bi-lingual/Spanish.

2014 United Way Designated Gifts

Thank you to everyone who designated their United Way gift in 2014 to West Side Community House. United Way¹ provides critical support to our Youth and Senior Services which touch the lives of over 2,000 west side residents each year. Contributions that you designate to West Side Community House help supplement our United Way allocation and are both needed and greatly appreciated.

2014 In-Kind Donors

Due to your generosity, West Side Community House provided hundreds of inner-city families, youth, and seniors who participate in our programs and services, with gifts for the holidays. We also were able to provide participants in crisis in our Family, Youth and Senior programs with diapers, car seats, cribs, blankets, gloves, hats, scarves, shoes, clothing and other necessities throughout the year. You put smiles on many faces and brought joy and hope to many a weary heart.
